GOALS

GOAL SETTING FOR EBOARD 18-19

What will our
SUCCESS *look like?*

At the end of the year, what will YOU be proud of? Verbally paint a picture of yourself at the end and what will YOU want to have accomplished? What does OUR success as an eboard look like?

The Guidelines

01

Stay away from 'feelings' and subjective ideas

02

Must be tangible, measurable, and objective

03

Don't let other people's expectations of you affect your goals

04

Challenge yourselves, be creative, and have fun with them!

Examples

"I believe for a goal we should aim for everyone on board to be happy by the end of the year"

What does 'happy' equal?

Examples

"As a goal, we should focus on alumni retention"

Is this a goal we are really passionate about, or is this what is expected of us?

SO WHAT ARE OUR GOALS?
